

HUMAN SERVICES DEPARTMENT[441]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 249A.4, the Department of Human Services proposes to amend Chapter 77, “Conditions of Participation for Providers of Medical and Remedial Care,” Iowa Administrative Code.

This amendment clarifies the training requirements for home- and community-based services (HCBS) brain injury (BI) waiver service providers and direct service staff.

The effect of this amendment is that any provider or direct service worker providing BI waiver services on or before December 31, 2014, will be presumed to be in compliance with the training requirement in effect when the provider or direct service worker began providing services and is not required to complete the Department’s BI waiver training modules. After January 1, 2015, direct service workers will have 60 days to complete the Department’s BI waiver training modules.

Any interested person may make written comments on the proposed amendment on or before August 12, 2014. Comments should be directed to Harry Rossander, Bureau of Policy Coordination, Department of Human Services, Hoover State Office Building, Fifth Floor, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Comments may be sent by fax to (515)281-4980 or by e-mail to policyanalysis@dhs.state.ia.us.

This amendment does not provide for waivers in specified situations because requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441—1.8(17A,217).

After analysis and review of this rule making, no impact on jobs has been found.
